## **COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE**

Reasons for allowance are only warranted in instances in which "the record of the prosecution as a whole does not make clear the Examiner's reasons for allowing a claim or claims." 37 C.F.R. 1.104(e). In the present case, Applicant believes the record as a whole makes clear the reasons for allowance and therefore no statement by the Examiner is necessary or warranted. Therefore, the record should reflect that Applicant does not necessary agree with the statement in the reasons for allowance.

For example, the Examiner loosely paraphrases potions of Claim 6 in the Statement of Reasons for Allowance, which purportedly applies to Claims 9, 35,

38, 64, 67, 122 and 125 of the application. The quoted language does not

exactly correspond to Claim 6 or any of the other allowed claims. A similar

approach was used with respect to independent Claims 13, 14, 71 and 129

Applicant's claims should be limited only by the terms utilized therein.

Thus, Applicant hereby submits these Comments in an effort to ensure that the

claims are properly construed based only upon limitations that are actually

present therein and/or to ensure that the claims are not interpreted so as to

include any additional claim limitations that are not found in the respective

claims.

Should there be any outstanding matters that need to be resolved in the

present application, the Examiner is respectfully requested to contact the
